

Global RF Labs Alliance network

What is GRFLA?

www.grfla.org

Confederation of RF-focused labs

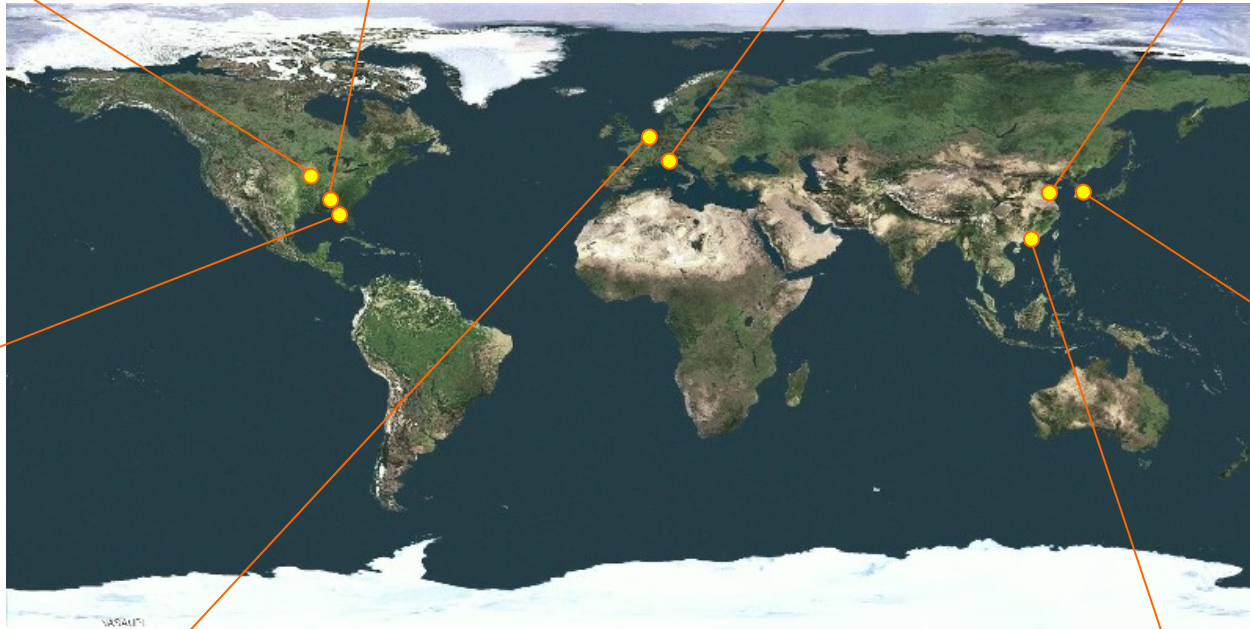

Purpose is to provide a mechanism for **communication** and **collaboration** among RF labs

GRFLA members share resources, such as **students** and **professors**, and **collaborate** (as appropriate) on research projects

Leveraging each other competencies to:

- **avoid duplication** of efforts;
- handle large scale projects and better access to research funding;
- Speed up the dissemination of research results to industries
